BPW Equal Pay Day Events in Europe.

day,-

Dear Presidents and members of BPW Federations and clubs,

This year, even more federations and clubs are organising Equal Pay Day events.

The **European Equal Pay Day is set for the 15 April 2010**, but according to local synergies and opportunities, Equal Pay Day events will take place in Europe all through March and April

It is important to show that we are working towards common goals and to be kept informed of all the actions taking place.

This is particularly important for communicating our message to journalists, politicians and sponsors.

Please fill in the simple Information Form and send it back to office@bpw-europe.org

As much information as possible will be included on the BPW Europe Website

Once your event has taken place, you can use the same form, fill in the report elements and send it to office@bpw-europe.org

It is important that we have the factual elements to be proud of what we achieve together.

Do not hesitate to contact me with any questions and thank you for your personal involvement.
