## Invitation to the days of BPW Hanse Network during the 26th International Hanseatic Days 2006 in Osnabrück - Germany

Dear BPW,

as already done in the last 2 years in Turku and Tartu, our BPW Hanse Network is taking part at the 26th International Hanseatic Days in Osnabrück. At the same time, we will realise our own programm, which is starting in Bremen. The host club is BPW-Germany, Club Bremen e. V.

We already started the preparation of the convention and we are sending enclosed the program for the BPW Hanse Network from 14<sup>th</sup> to 18<sup>th</sup> June 2006.

We kindly ask you to return until 15<sup>th</sup> April 2006 your binding participation.

In Bremen it will be possible to organize a private accommodation.

We abandoned an option for hotel-rooms and booked already the restaurants. We did our best to find low cost offers – good and cheap. Our motto: Low budget and easy ways!

So everything is in preparation for a wonderful international meeting!

We are looking forward to receive your registration.
