We are BPW of many Hanseatic cities in Germany and the Netherlands. We all want to spend a sunny day together. Traditionally we go for a boat trip, every year in an another town. This time it's in Kiel / Germany on the Kieler Förde. Afterwards we go for a walk on the promenade of the little fishing village Heikendorf. Our aim for the day: intensifying the network of BPW Hanseatic cities in Europe. To welcome our guests we start with a glass of prosecco as well as hot and other cool drinks and a little snack.

We are looking forward to welcome you to the second **Summer – Network – Hanse** in Kiel / Germany.
