

Dear Presidents,

Enclosed please find again our invitation to POLAND within the frame of the Project: PEARLS of the Region.

During the President's Meeting in Galway I had an opportunity to present our proposal to all European Presidents.

The summer time is slowly over, first weekend of October comes very close now.

**Lucyna Schmidt** - our Secretary of the Polish Federation (her email: [Lutzyna@gmail.com](mailto:Lutzyna@gmail.com)) is waiting for the confirmation of BPW members interested in our Project.

Her telephone numbers are as follows: +48 791 525 288 or +44 7415 123340.

All questions and inquiries please send to me or to Lucyna.

In the event of the dates given not being suitable as to our welcome to "Pearls of Wielkopolska" we are happy to postpone it to a more suitable time. Awaiting suggestions.

Looking forward to hear from you soon,

Best regards,

Kate
