H.E. Marie Louise Coleiro Preca, President Emeritus, has taken the initiative to establish a Forum for Mediterranean Young Women 2020. Through the Forum, President Coleiro Preca seeks to tap into the full potential of women and girls of the Northern and Southern shores of the Mediterranean by convening the Mediterranean summit at the crossroads. The goal of the Forum is to create a space for discussion between policy makers and young women on the existing gaps in endowment, economic opportunity and agency. Special invited guests will be participating in this Forum. We are also inviting President’s from BPW to come forward to Mentor to these young women.
