SPECIAL UPDATE: OUR BPW SISTERS IN UKRAINE
COMMUNICATING FROM A BOMB SHELTER WITH BPW EUROPE
FOR INTERNATIONAL WOMEN'S DAY.

BPW Business & Professional Women European Presidents met on International Women's Day 8th March 2022 to offer Support to our Ukraine BPW members . We spoke with Victoria Filatova who was in a Bomb shelter at the time and also Julia Zayika (see photo). They appealed for funds for BPW Ukraine for the people who stayed behind in Ukraine as no humanitarian aid was getting through. BPW Poland President Kasia Bekasiak asked for help also for all refugees that are coming to Poland. BPW Poland is doing tremendous work in accommodating these refugees. The ECC Secretary Carmen Taheny will today send all information on how BPW Europe can help she will be sending email to all Presidents. Also one photo that was shared widely on Social Media on Sunday evening (bottom right corner), is an angel of clouds appeared over the sky of Kyiv – the patron of the city is the Archangel Michael. We send our hearts, strength and courage to our BPW sisters in the affected regions!
