

PRESS RELEASE

BPW INTERNATIONAL HELP "EARTHQUAKE IN TURKEY & SYRIA"

BPW Europe is officially encouraging all affiliates, members, partners and allies of the BPW community to join and donate to the BPW International Help on the earthquake catastrophe relief fund: <https://www.bpw-international.org/earthquaketurkey/>

"We are helping in close cooperation with the BPW Clubs in the region, and we are in contact with the club representatives. We plan with them the help with the BPW Donations. It is still unclear how we will be able to help. However, the BPW on the ground guarantee that our help will reach where we want it to and that it will bring what is needed. Thank you all for your generosity."

Dr. Catherine Bosshart, BPW International President 2021-2024

Anu Viks, Regional Coordinator of BPW Europe remains in contact with the Turkish federation of BPW since a devastating earthquake struck Turkey and Syria a week ago on Monday, 6th February 2023. BPW Turkey as affiliated country of BPW Europe has founded 5 BPW Clubs with more than 100 members in total. BPW Club: Istanbul, Ankara, Adana, Sariyer Istanbul, Maiden's Tower.

"Me and whole BPW Europe condolences on this terrible disaster and loss of so many lives. The news bring bigger and bigger number of victims every day, this is deeply heartbreaking. The scale of the disaster is unbelievably big and needs quick response in help and aid. Because of the cold weather survivors are suffering even rescue and medical teams from many countries have already reached the disaster area, including Estonia, my home country. BPW Europe will follow BPW International lead in helping people of Türkiye."
